OPENING PRAYER

O God, this morning and every morning we know Your true love and provision for our daily needs. We join our voices in praise and prayer, proclaiming our gratitude and invoking your continued care of us in body, mind, and spirit. Enable us to find the hidden resources in ourselves and our neighbors, that we may share Your love and grace so that the hungry in spirit do not go away searching aimlessly for that which will satisfy. We pray in the precious name of Jesus Christ our Lord. Amen.
