Most Active and Loving God, we praise and give thanks that You have entered and affected human history in every age. Bless us that we may become effective agents of Your grace in the world and involved builders of Your Kingdom of peace and love. Sow in us a deep discontent with a rhetorical faith that is all talk and no action. Fill us with your Spirit, empowering us to put our efforts where our claims are, after the model and message of Christ. In His name we pray. Amen.
