OPENING PRAYER

Sharon Skeel

Lord, we love You and want to serve You with our whole heart, soul, mind and strength. We want to give You our total selves, but we hold back that little something extra because we are afraid. We do not know where this self-giving will lead. And so we waiver. We sit on the fence and play it safe. But we can't have it both ways. Faith means trusting You above everything else. We know that our relationship with You is right when we love and serve others in Your name. Increase our faith, Lord, and help us to place our confidence in You alone. In Jesus' name, we pray. Amen.
