OPENING PRAYER

Sandy Mesnard

Eternal Creator and Redeemer of all, we praise Your name above all others, give You thanks for the gifts of life and love. Though we were born children of earth, You have taken us up in Your arms and made us children of heaven. Let Your spark of divine love glow within us once more, that through our lives others will come to know Your grace, Your power, and Your love. In the name of Christ we pray. Amen.
