OPENING PRAYER

Sharon Smith

Lord of all creation, we pause before You today, laying our hectic lives on the altar before You. Summer's warmth and rest are moving along, and our minds are turning to the time ahead: students and educators are thinking about school; farmers are thinking about crops and fall harvests; business people are thinking about profit margins and quarterly reports; politicians are thinking about elections; retailers are thinking about the holidays. As we bow our heads before You, help us put aside today's worries and tomorrow's fears, that we may worship and revel in Your presence today. We ask this in Jesus' name. Amen
