OPENING PRAYER

Sharon Smith

Holy God, You have created us with purpose. You have given each of us gifts and talents that we might use to bring forth your kingdom to this earth! We confess that we selfishly use our gifts for personal gain, forgetting that they, too, are a means of tithing. You have bestowed on us unique abilities that allow us to help your children across the world- the poor, the orphan, the widow, the immigrant, and the oppressed. How beautiful a gift you have given us! Forgive us when we forget to share it. As you did for the prophet Jeremiah, put your hand to our mouths, our hands, our feet, our minds... all the different parts of us so that we may speak, act, write, teach, comfort, and share your good news! May our magnificently different voices carry the incredible message of your love, redemption, and grace. We are called to be prophets! Amen.
